

ANNOUNCEMENT

FIELDGATE

Retirement Living

CARLIE WILLFORD, RN - RESIDENT WELLNESS DIRECTOR

Fieldgate Retirement Living announces with pleasure the appointment of our new Corporate Resident Wellness Director, Carlie Willford, RN. Carlie will assist the operations team in ensuring quality in resident wellness and care. She has extensive experience as a registered nurse working with seniors and their care. More notably, she was the owner of Castle Peak Retirement Residence,

which she helped design, build, open and operate since 2012. The practical design innovations she helped incorporate into Castle Peak for its residents, along with having proven results in setting up well run operations with impressive quality, makes her unique experience a perfect fit for us at Fieldgate Retirement Living as we continue to develop our growing portfolio of seniors communities.

Welcome to Fieldgate Carlie Willford.
